

Power Saving

CA-G609A3SMS - Master Controlled

Simply Plug ANY of your device into the master outlet and your peripherals into the master-controlled outlets. The master outlet senses and learns when your device powers down or goes into standby mode and cut off the power of the controlled outlets.

CA-G609A3SMS

Features

- ◆ Power all master controlled devices ON or OFF automatically. Convenient! Save energy!
- ◆ Low stand-by power consumption. Energy saving!
- ◆ AC power line surge protector. Protect high-tech electronic devices from damage caused by dangerous spikes/surges that coming from AC power line.
- ◆ EMI/FRI noise filter. Eliminate electro-magnetic & radio frequency interference. Very important for sensitive electronic devices, like computer, mobile phone...
- ◆ Safety shutter, avoid direct touch of live parts in the outlet by accident. Safe for the children.
