

USA-CANADA (NEMA) Power Strip

CA-611 series - Surge Protection

Our surge protector provides premium power protection for household and commercial office environments. We've used advanced design elements, top-quality construction, and superior circuitry and components to provide the most complete protection from surge, spike, and other electrical abnormalities to your electronics, computers, and peripherals, including all facets of professional workstations.

CA-611

Safety Approval

Features

- ◆ AC power line surge protector. Protect high-tech electronic devices from damage caused by dangerous spikes/surges that coming from AC power line.
- ◆ Tele-communication line surge protector. Protect high-tech electronic devices from damage caused by dangerous spikes/surges that coming from Tele-communication line.
- ◆ Antenna/coaxial cable line surge protector. Protect high-tech electronic devices from damage caused by dangerous spikes/surges that coming from Antenna/coaxial cable line.
- ◆ EMI/FRI noise filter. Eliminate electro-magnetic & radio frequency interference. Very important for sensitive electronic devices, like computer, mobile phone...
- ◆ OCP. over current (load) protection.
- ◆ AHOKU Internation patents.

Specification

Model No.	CA-611 series
Power Rating	15A,125VAC
Outlet Type	USA
No. of Outlet	6
Plug Type	USA
Power Cord	SJT,14AWG, 3C
AC Surge	YES
DC Surge	YES
EMI/RFI Filter	YES
Switch	YES
Indicator	YES
OCP	YES
